

# PC

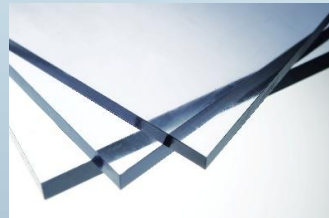

**Product Name** : Poly Carbonate  
**Product Code** : PC  
**Availability** : Yes

## Product description:

DYNEX PolyCarbonate stock shape provides strong impact strength, high dimensional stability and good electrical properties. It is suitable to the mock-up application and other insulating purpose.

## Main characteristics

- High impact strength
- High creep resistance
- Dimensional stability
- Various application

## Main applications

Mock-up application, insulating application.

\*Note : The application of DYNEX PC is limited in non-optical purposes.
